Where are the wild things?

Members of the Palm Beach County Bar Association, in partnership with the Palm Beach County Literacy Coalition, recently participated in Read Across Palm Beach County to promote the importance of reading. More than 60 members of the association read stories and discussed the importance of an education to schoolchildren in classrooms from Boca Raton to Jupiter. They also donated hundreds of new books to 13 schools. Dressed in character for their reading assignment at Melaleuca Elementary School in West Palm Beach are (from left) Carlyn Kowalsky ('Sam and the Firefly'), Michael Compagno ('Stellaluna'), Christopher Pettit ('Is There Really a Human Race'), Susan Martin ('Horton Hears a Who'), Sarah Nall ('Go Dog Go'), Keith Rizzardi ('Where the Wild Things Are'), Sheryl Wood ('The Cat in the Hat') and Ed Artau ('Words for America').
